FOR IMMEDIATE RELEASE

LOCAL HVAC COMPANY HOSTING COAT AND BLANKET DRIVE THROUGH DECEMBER 20TH
Share the Warmth campaign by Texas Total Comfort Systems, LLC gathering items for local nonprofits
benefiting people and animals in need

(ALEDO, TEXAS) -- Texas Total Comfort Systems, an Aledo-based air conditioning, heating, and refrigeration company, is holding a coat and blanket donation drive benefiting local charities. The Share the Warmth donation drive is taking place through December 20, 2021.

“The need for people and pets to stay comfortable is ongoing,” explains TTCS owner Ricky Cox. “The Texas Total Comfort Team has worked hard to help out those in need, both two and four-legged, but we can help a lot more with just a little help from you. Giving back is a great way to help the community during these times.”

Share the Warmth coat drive will accept coats for all ages from toddler to adult, new or gently used condition. The coats will benefit Freedom House, a nonprofit agency in Weatherford that provides services for victims of domestic and sexual violence.

The blanket drive associated with TTCS Share the Warmth campaign is taking new or used blankets to be donated to the Purr De Leash Project located in Fort Worth.

“Just a small gift makes a big difference, especially if it comes from the heart,” says TTCS owner Ricky Cox. “To quote the Grinch story, ‘It came without ribbons. It came without tags. It came without packages, boxes, or bags...What if Christmas, he thought, doesn’t come from a store. What if Christmas perhaps, means a little bit more!’”

Donations can be made in person to the Texas Total Comfort Systems office located at 12033 Camp Bowie West Blvd in Aledo or to any technician scheduled to service their home or business. TTCS is offering a \$25 off repairs through December 20 with a donation (one time discount, one per customer).

About Texas Total Comfort Systems

Based in Aledo, the Texas Total Comfort System crew has been servicing customers in the Fort Worth and surrounding areas since 2012. TTCS is a veteran owned leading HVACR Home Service provider servicing residential and commercial HVAC and refrigeration. Named the “Best Heat and Air Service” by the *Fort Worth Star Telegram’s* Fort Worthy awards in 2017 and 2018. The business mascot, Freon, is a rendition of the real bulldog owned by TTCS owners Ricky and Tiffany Cox, DVM.
